To Whom It May Concern,

It gives me immense pleasure to write this letter of recommendation for Alshan Husain Shah, who interned with Legal Counsellia from April 1, 2025 to April 30, 2025.

Throughout the internship, he showcased a remarkable level of enthusiasm and discipline. As part of a structured program, they actively participated in sessions covering a broad spectrum of legal topics, including:

- Legal drafting: notices, pleadings, contracts, and affidavits
- Basics of constitutional, corporate, and criminal law
- Judgment summarization and legal analysis
- Moot problem-solving and group discussions
- Real-world corporate fraud analysis and legal loophole identification

Mr. Shah also took part in engaging activities such as webinars, team debates, group discussions, and networking events, demonstrating excellent communication, research, and collaborative skills. Their consistent performance in independent assignments and their ability to absorb and apply feedback reflect their commitment to continuous learning and legal precision.

Their proactive attitude, clarity of thought, and ability to work both independently and as part of a team make them a commendable intern. I am confident that he will continue to excel in their academic and professional journey.

I recommend him wholeheartedly for any future opportunity he choose to pursue. Should you need any further information, feel free to contact me at Piyush.legalcounsellia@gmail.com

Sincerely,

(POONAM THAKUR)
